SUPPLEMENT

TO

ALBERTA HORSE AND CATTLE BRANDS

BEING BRANDS RECORDED DURING THE YEAR

1914

This book is the property of
THE DEPARTMENT OF AGRICULTURE
PROVINCE OF ALBERTA,
and should be handed over to your successor,
if at any time you retire from office.

Published by the authority of the Hon. Duncan Marshall, Minister of Agriculture, as a supplement to the Alberta Brand Book.

EDMONTON:
Printed by J. W. Jeffery, Government Printer.
1915

PREFACE.

This Supplement to the Brand Book is compiled from the Records in the Brand Recorder's Office, at Medicine Hat. While the greatest possible care has been taken to ensure accuracy, it is quite possible, where so many thousand brands are involved, that mistakes have occurred. Where such are found, the Recorder will be glad to have them pointed out for correction.

All transfers and changes recorded between the 1st of January and the 31st of December, 1914, are included in this issue.

Cattle brands are arranged separately from horse brands. The general scheme of arrangement followed is alphabetical and numerical. In every case the first letter or numeral of a brand determines the place of that brand in the book, thus, a brand of which the first letter is "A" will be found under that letter, while a brand of which the first numeral is the figure "4" will be found under that numeral. For instance, the brand A 4 would be found under the letter A and among the two-character brands, while the brand 4 A would be found under the numeral 4. Single-character brands precede two-character brands in arrangement and two-character brands precede three-character. Brands of arbitrary design, that cannot be otherwise classified, will be found at the back of the horse and cattle sections, respectively.

JAMES WILSON,
Recorder of Brands.

Office of the Recorder of Brands,
